

RECYCLED STAMP FLOWER CRAFT **Great for Mother's Day Cards!**

You will need:

A plastic drink bottle with a 'dimpled' bottom, craft paint, a paper plate, scissors, glue, buttons, white paper, 2 different colored papers

1. Put a little bit of paint on a paper plate or old piece of paper.
2. Dip the bottom of the plastic bottle into the paint, and 'stamp' it 5 times onto your white paper, leaving space between the stamps.
3. Trace the flower shape (below) around the stamp. Cut them out.
4. Fold a colored piece of paper in half, like a card.
5. Trace an oval (below) onto colored paper and cut it out. Glue it onto the front of your card.
6. Glue your flower shapes around the edges of the oval on your card.
7. Glue a button in the center of each flower.
8. Write a nice note for Mom, Grandma, Aunt, or a Friend on your card for Mother's Day!
