How Do We Play Bible Boggle?

The object of the game is to find as many words as possible. The regular rules apply. The words are formed from adjoining letters. Letters must be joined in proper sequence to form a word.

How Do We Play Bible Boggle?

Here is how it differs:

- no 3 minute time limit
- words can be 3 letters or more
- Must relate to the Bible in some way. Be creative! (light, donkey, life, word)
- articles and pronouns don't count
- proper nouns as related to the bible do count. (God, David, Noah, Eve, I Am)
