## CLICK ON OUR MUSIC LINKS

*"Next to the Word of God, Music Deserves the Highest Praise" -Martin Luther*

[Julie Andrews - Feed the birds/1964](#) We lost one of the great songwriters of film history in May – Richard Sherman, who with his brother Robert wrote many of the most beloved songs in Disney movies. This one, from "Mary Poppins," isn't one of their showstoppers, but they also excelled at these quiet, touching ones.

[How Firm a Foundation - American Traditional Melody | Marianne Kim Piano](#) Marianne Kim is a Korean musician now living in Chicago who does a lot of tasteful piano arrangements of hymns. Here's a fun version of an old American tune.

Dear Atonement Friends,  
35 years of ordained ministry celebrated last Sunday!  
So thankful to you for the lovely reception, flowers, cards,  
and gifts...and for the opportunity to celebrate in this place,  
this community, and this ministry. Grateful for many things,  
including this promise:  
"for my yoke is easy, and my burden is light."  
-Pastor Gail
